

TWIST

TWIST

An elegant system that is elegant and quick to assemble with graphics that are easy and cost effective to update.

Twist uses magnetic bars that link the panels together to create seamless backdrops and displays of almost limitless width that can be straight or curved using the unique flexi panel.

- Size: 80cm or 100cm wide x 200cm, many sizes and configurations available.
- Finish: Silver
- Weight with banner: 4kg
