

## BLIZZARD

Blizzard banners are ideal for outdoor events and promotions, withstanding winds up to 18mph. The hollow base can be weighed down with sand or water.

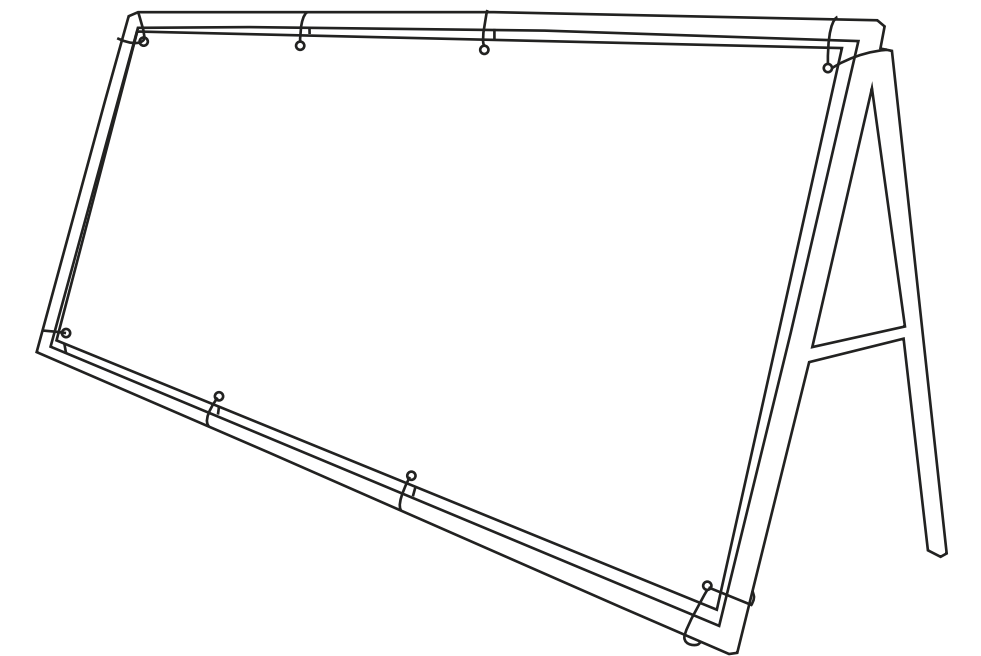

- Size: 80cm x 200cm high
- Finish: White frame with blue/grey plastic base
- Weight with banner: 7kg

## HORIZON

Horison banners are the largest display in the range, perfect for big outdoor events. Maximise exposure with double or single sided graphics and link units together to create a wall.

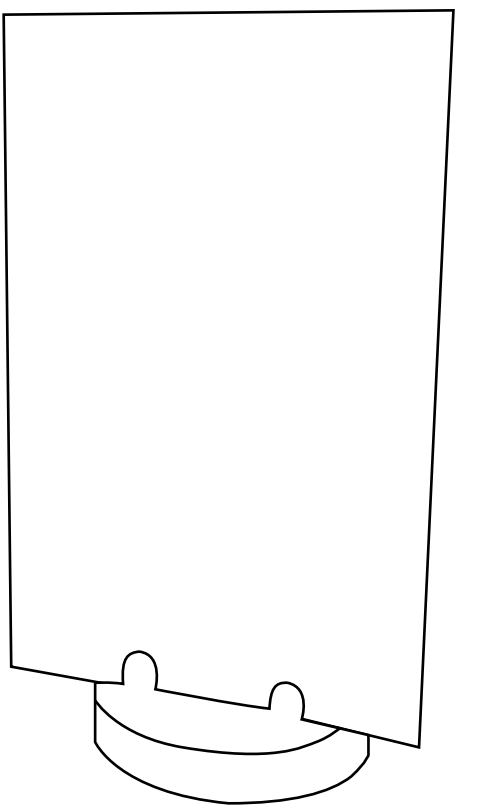

- Size: 250cm or 200cm wide
- Finish: Silver/grey frame with grey plastic bases
- Weight with banner: 22kg

## MONSOON

Monsoon is a large format A-frame style banner ideal for outdoor use. The lightweight aluminium frame is perfect for PVC banners either double or single sided. The units are easily assembled and can be linked to form longer displays.

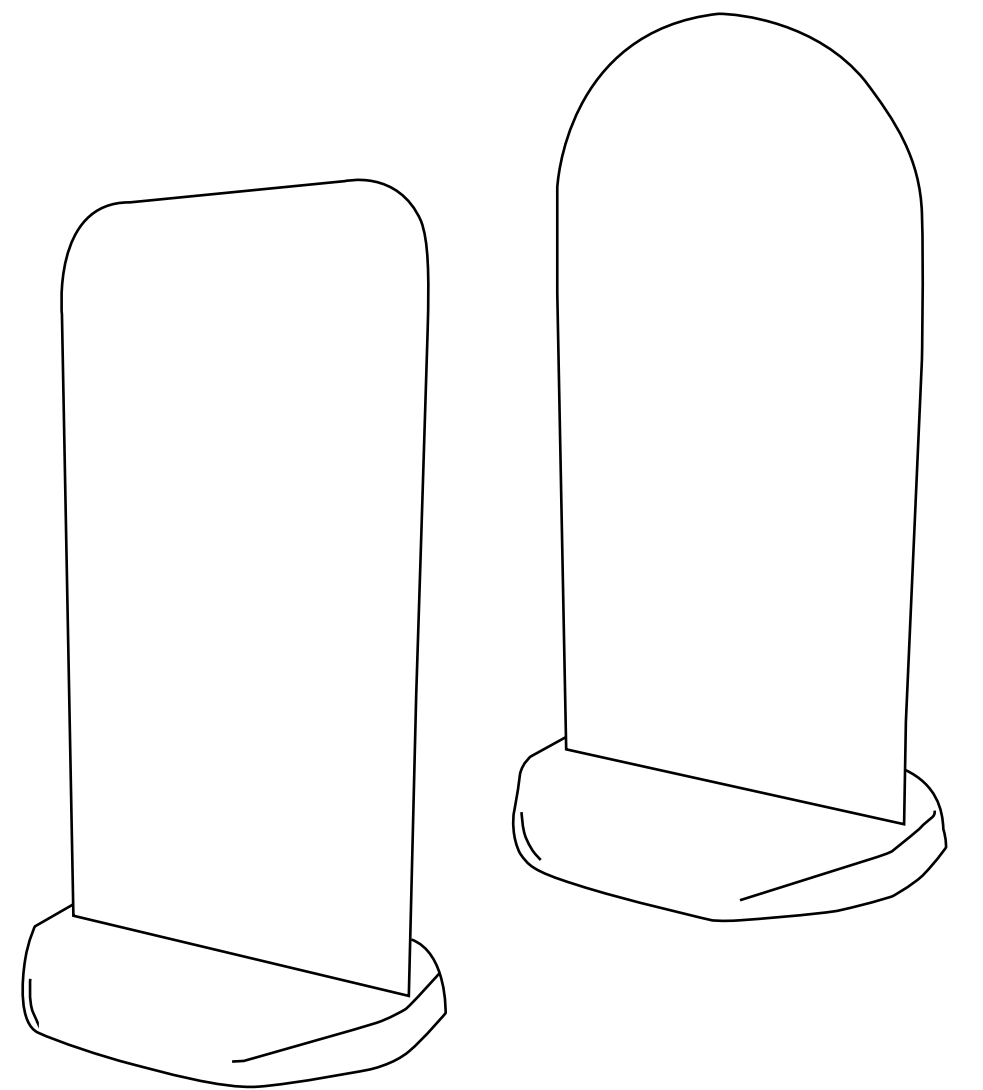

- Size: 125 - 300cm wide
- Finish: Polished aluminium with black looped elastic
- Weight with banner: 6-10kg

## ROK

Rok is a rigid sign board with a moulded plastic base for water or sand weighting. The simple design is able to support acrylic, foamex, MDF, steel and dibond.

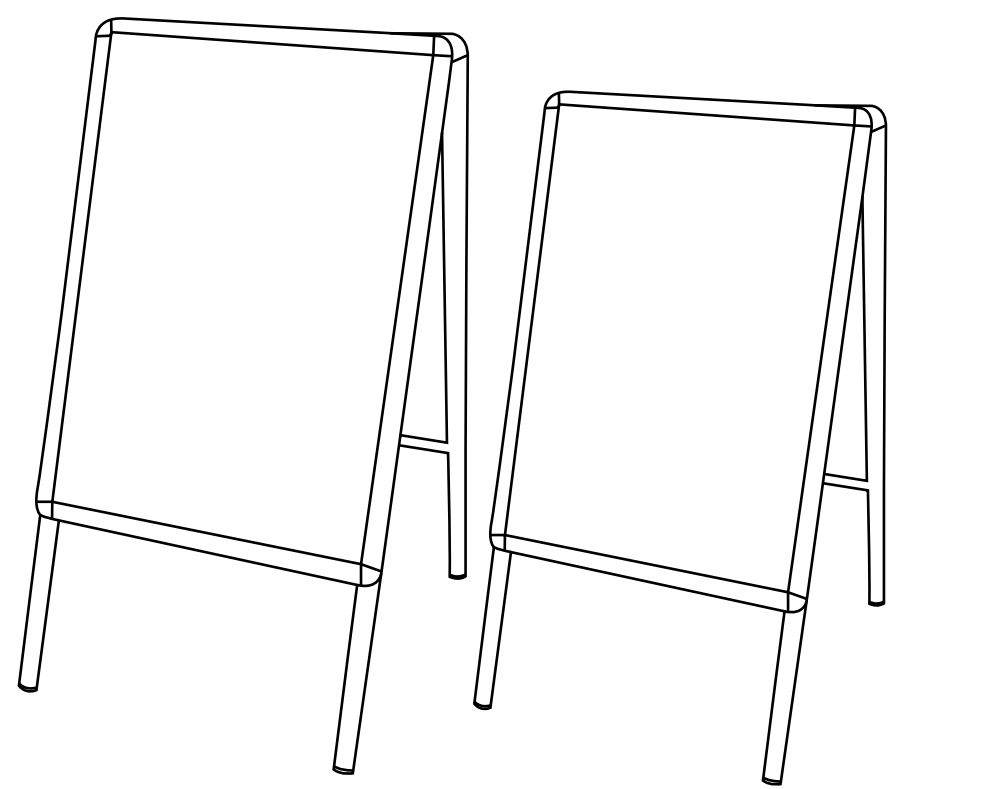

- Base size: 130(h) x 520(w) x 420(d)mm
- Finish: Black
- Weight empty: 2kg
- Weight filled: 12kg

## SHIELD

This functional rigid sign board is ideal for outside a shop or the entrance to an event. Shield features a recycled rubber base to simply slot in the graphic, and comes complete with securing bolts.

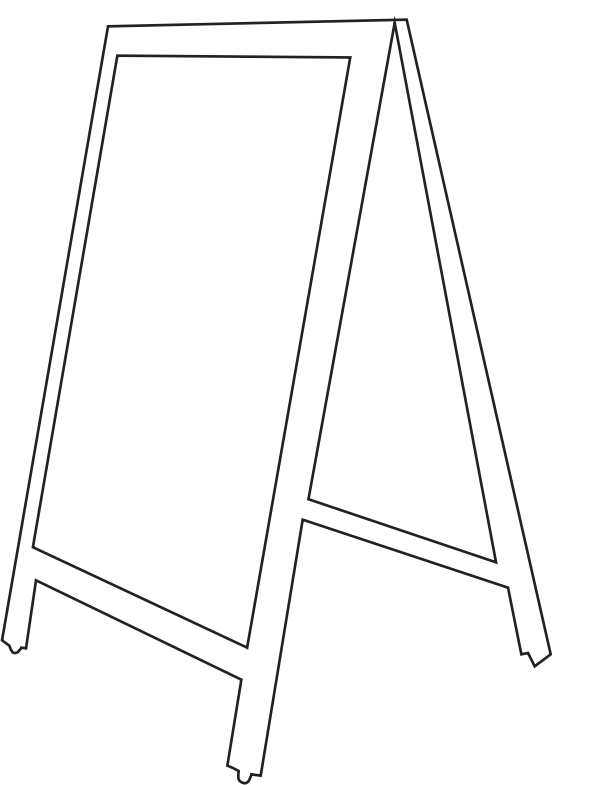

- Base size: 500(h) x 460(w) x 450(d)mm
- Finish: Hard recycled black rubber base with a powder coated aluminium panel
- Weight with banner: 10kg

## SNAP A-BOARD

Snap is a robust, double-sided poster holder ideal for regularly changing messages and branding. Featuring a galvanized steel backing for added strength and stability, this stand will hold up indoor or outdoor.

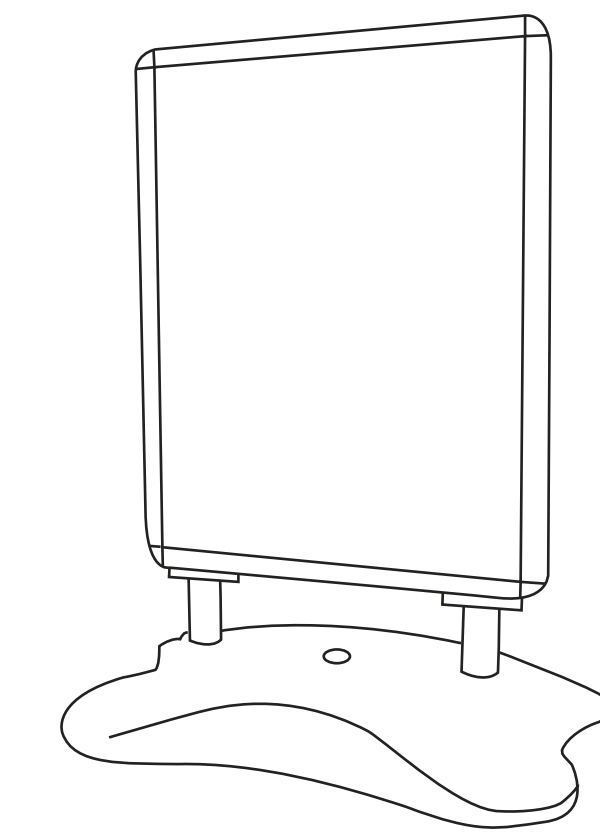

- Poster sizes available: A2 or A1
- Finish: Aluminium frame
- Weight: A1 - 11kg, A2 - 7kg

## CHALK BOARD

This chalk A board is suitable for indoor or outdoor use, and works perfectly with our liquid chalk pens. Comes ready assembled in a high quality wood finish.

- Visible area: 670mm x 470mm wide, 1000 x 570mm wide
- Finish: Wood
- Weight: <8kg

## WHIRLWIND

Whirlwind is a heavy-duty poster display featuring a wheeled base that can be weighted with water or sand. The snap frame poster holder is double sided and ideal for regularly changing messages.

- Poster sizes available: A1 or A0
- Finish: Dark grey base with aluminium frame
- Weight: 11kg empty, 36kg filled with water
